

Machi Kozori, Psychologist, Research Associate Alzheimer Hellas

Mahi Kozori has studied Psychology at the School of Psychology, University of Crete (UoC). She has been working as a clinical research associate at Greek Association of Alzheimer's Disease and Related Disorders (Alzheimer Hellas) since 2016. During this time, she has been involved in several National, European and International Projects. Namely, she has worked as research assistant in 'AD-GAMING' and 'Story 2 Remember' Erasmus+ funded projects, as implementation manager in 'SINCALA' and 'SINCALA 2' Erasmus+ funded projects, as psychologist and implementation manager in 'EhcoBUTLER' Horizon 2020 funded project, as psychologist in 'ALTOIDA AR' and 'DNS Study' clinical trials and as psychologist in 'MICOIL', 'BALSAM' and 'TEAMENTIA' GAADR original clinical studies. Her clinical research experience derived from these projects includes patient recruitment and screening, baseline and follow up neuropsychological assessment, data collection and analysis. She has participated in Panhellenic and International Conferences with 10 oral or poster presentations and has co-authored 8 publications in peer-reviewed journals.
