

## **SANNA LAAKSONEN**

I have a background in practical nursing with a degree classification from Finland. I have hands-on experience working in the wider healthcare environment since 2002, from 2004 I have worked in the UK. I have worked mainly with the elderly and also have significant exposure in mental healthcare. I have completed a degree in Business Management (2:1 Hons) and Mental Health Nursing adaptation course in October 2012. I am registered in Nursing and Midwifery Council as a level one Registered Nurse. Since 2013 worked as a Dementia Nurse Manager in Award winning care home (Royal Star & Garter). Nursing Home and thereafter as a Dementia Nurse Consultant to provide and share best practices in Dementia Care. Worked as a volunteer with Alzheimer's Society as a Dementia Champion giving information sessions in UK, Finland and Greece.
